

Membership No:

Emirates Road Cycling Club - Membership Application

Initial Joining fee is AED 500, for which you receive the CS Tech kit in Red.

Annual Renewal is AED 200 to cover incidental costs.

Emirates Road Cycling Club (ERCC) membership applicants must have a suitable road bike, helmet and kit, and wear the ERCC approved kit on an organised ride.

New ERCC members should restrict their ERCC participation to the scheduled ERCC training rides, (Monday or Wednesday night); solo rides or other suitable advertised rides until their fitness and technique has developed sufficiently.

For the safety of yourself and others, new members with little or no experience of group riding, who are unable to sustain a minimum 32km/hr. group average speed for approximately 3hrs, should not attempt the dedicated ERCC Friday Group rides which are organised for experienced members and invited guests only.

Any employee participating in any sporting event, regardless of whether or not such event is either supported or sanctioned by the company or the ERCC, participates at their own risk.
